**TOM HUMBERT** TOM | WRITER | PRODUCER

Tom Humbert, the multi-talented director, writer, actor, singer, pianist, guitarist, bassist and organist, with his vast performance experience in television, radio, stage and screen, is the creator of the new faith-based musical TV show "Wholly Broken". This accomplished recording artist with five CD's to his credit and composer of hundreds of songs of praise, has had starring lead roles in more than 50 musical theater productions and tours across the United States and continues to be an active member of SAG - AFTRA and Actors Equity. Over the years, his live concerts have garnered rave reviews; Leah Frank, NYTimes "Mr. Humbert is outstanding in one of NY's best events!" and Aileen Jacobson, Newsday "Tom's voice

is wonderfully expressive!" and his many loyal YouTube followers agree whole heartedly. He has even performed at the White House for Presidents Bill Clinton and George H.W. Bush.

"Wholly Broken" has been a lifelong vocation for Tom and with more than 20 years of experience as director of music and liturgy for many churches, it's no wonder this faith-based musical TV show has come to life.

**TERRI CONN** KRISTEN

Emmy award nominated actress Terri Conn has spent nearly 20 years in front of the camera, primarily, on network television. As one of eight lead characters on the teen drama "Breaker High" (alongside Ryan Gosling of "The Notebook" and "Lala Land") Terri discovered a love of connecting with the audience through her tears and laughter. This connection to her audience followed her from Hollywood to New York, when Conn was cast as a lead on the long-running CBS daytime drama "As the World Turns". For the next 13 years, she would enjoy the distinction of "fan-favorite", garnering an Emmy Nomination and the highest Q-rating of the large, ensemble cast. "As the World Turns" Executive Producer Chris Goutman says of his star, "Terri is an incredibly talented actress: funny, emotional, with an uncanny ability to connect to an audience.". Film roles (including 2016 festival darling "Jack & Diane") and guest-starring roles on high profile shows (such as "30 Rock" and "Law & Order") have peppered her career, helping Conn to become the well-rounded, mature story-teller that she is today. Terri's newest vision is to focus her contribution to the up-and-coming genre of faith-based content, both as an actress, as well as a writer/director and she feels incredibly blessed to call the 2017 musical TV show, "Wholly Broken", her debut project.

# Wholly Broken Movie & TV Series

CREATED AND WRITTEN BY TOM HUMBERT

The new musical television series that will enlighten, enrich and entertain people with life's everyday challenges and triumphs!

These are the stories of eight people of faith whose lives mysteriously intertwined. The episodes take place in the beautiful Hamptons and are brought to life using original songs in the style of "Glee" to propel the story. There are no shortcuts taken here; these are award winning singers and musicians!

The themes are developed from hot topics found in the news today, including abortion, homosexuality, bullying in schools, alcohol and drug abuse, and the everyday challenges we all face in life. When problems arise, the characters must decide what actions to take and ultimately what to believe. The results are inspiring, emotionally charged, and triumphant!

The shows are narrated by the main character Tom Matthews who is the associate pastor at the Hamptons Little Church. He's a recovering alcoholic, a charismatic and inspirational preacher and a multitalented music minister. He is the creator and facilitator of the fellowship support group called "Religious Rehab" where the main characters meet once a month.
